

Union Futbol Club

Professional Soccer Development Academy

Dear Friends,

The Hispanic Business/Professional Association (HBPA) is excited to announce the first ever completely free soccer development academy in Spokane County. A program developed by professional and experienced coaches, licensed in many federations such as FMF, AFA, LaLiga, USSF, USC.

Union Futbol Club will be serving the Spokane county youth, ages 9-13 and will focus our efforts on serving underrepresented families and low-income families that are not able to afford soccer club fees in the Spokane County. It will be a holistic approach to provide the youth with mental wellbeing, physical wellbeing, while helping them develop many qualities that will reflect their behavior and integration into the Spokane Community. Futbol is a cultural identifier in many parts of the world, most Hispanic or Latin-American countries certainly have this sport engrained in their cultural roots.

Our Mission

Our desire is to promote football development through fun, turning our love for sport into joy. We are a group dedicated to giving and teaching the best concepts in one of the best sports in the world.

Our Vision

Our goal as a club is to transmit the importance of our values to all our players, through fun we must highlight the respect between our players and opponents and show that hand in hand with teamwork, sacrifice and discipline we can make this sport the best place to develop and make friends.
